

WHAT'S DI

Challenge: Your TASK is to use the materials provided in a PERFORMANCE that describes what DI is to people who have never heard of it before.

Time: You will have up to 5 minutes to use your IMAGINATION to develop your PERFORMANCE using the materials provided, and up to 2 minutes to present your SOLUTION to your Team Manager.

The Scene: There are people out there who don't know what DI is! Your challenge is to use the materials provided and develop a performance that will help those people understand DI. In addition to using the materials, one or more members of your team must use the words Creativity, Teamwork, and Problem Solving at least once during the performance. The box containing the materials is NOT to be used as part of your performance.

Materials:

Six pipe cleaners,
A sheet of newspaper,
Four mailing labels,
A Styrofoam ball,
A sheet of tin foil, and
Six cotton balls

Scoring: You will receive up to:

10 points for each team member that uses the words Creativity, Teamwork, and Problem Solving (max 30 points)
25 points for how creatively you use the materials
25 points for the creativity of your performance
20 points for how well your team works together
